The Putting Park offers 27 holes of entertaining adventure golf, with a course for all ages and skill levels. It is the perfect place for an outdoor kiddie party.

The three putting tracks range from colourfully quirky holes - watch out for our bunnies- to tricky layouts that will keep players on their toes. All putting equipment is supplied, no prior experience is required, and all ages are welcome to play.

But The Putting Park is more than just golf. This safe and secure children's area offers an entertaining playground and jungle gym, as well as plenty of open space for kids to burn off energy. Kids will also love the over-sized outdoor chess set.

While young ones have a ball, parents can relax in the picnic areas. Optional catering is available, and with our Putting Park Party Packs the party kids are guaranteed to end the adventure with a smile.
